

How to Complete your HealthySteps (Keas) Registration

You can register for the new HealthySteps wellness website by completing the following registration process on a desktop computer or mobile device.

New hires or rehires: Please allow 7-10 days after your hire/rehire date to register.

To access Keas, please use Internet Explorer 10, 11, Chrome, or Safari. Please be sure that your browser is updated to the most recent version.

Desktop computer or mobile device

1. Launch healthysteps.keas.com (from a desktop computer or mobile device).
2. Click "Create Account." on the log in home screen.
3. Enter the requested information on the registration page.
 - Be sure to enter your correct birthdate and your Employee ID.
 - You may use any email address to register. If your email is not in our system, Keas will then send you an email to verify your identity.
 - Your email address may be used only once.
4. If you use an email not in our system, go to your email and look for an email from Keas with a log in link. You may need to check your spam or junk mail folder.
5. Click the link in the email to confirm your email address, and log in to the website using the email address you entered and password you created.

Mobile app

1. Download the free Keas+ app  from the Apple iTunes or Google Play store.
 - After launching the app, click "Not registered? Create Account." on the home screen.
2. Enter the company code (Healthysteps), then click "Next." The company code is not case sensitive.
3. Enter the requested information on the registration page and follow steps 4-5 above.
